

# RED BALLOON CAMPAIGN

## Loving Upliftment

Are you a person who wants to bring positive change to the lives of families in need and make the world a better place for our children?

Attending the Work For Love Family Centre enables low income parents to sustain their families. A mother can learn to earn by mastering sewing or teaching and enrich her parenting, job readiness and business skills all while her children are educated in the healthy and peaceful environment of the Work For Love School.

Donate now ***givengain***. Any contribution counts. Make it regular. **YOU can help a family realize their dreams.**
